

McBRIDE

METAL FABRICATING CORPORATION

Mission

MMFC is a manufacturer of stamped products and services. It is our mission to continually improve these quality products and services in a **Safe, Prompt, Cost Efficient** manner thus providing the **BEST POSSIBLE PRODUCT** to our customer at **Cost Competitive Prices**, thereby ensuring **Profitability** and **Prosperity**.

Philosophy

Quality is our guideline for developing processes and related systems for supply of products that meet or exceed customer requirements.

People:

Our employees are the resource of our **Knowledge, Pride, and Reliability** and are the core of our commitment to success.

Process:

Our processes are the culmination of our people and our philosophy.

Profit:

Profit is the measure of our success and the resource for continuous improvements.
